Grades 6–8

350+
Schools Participated

3000+
Students Competed

8
Successful Editions

Organised by Vydehi School of Excellence **cryptics.in**

MORE THAN A QUIZ.
MORE THAN A SCORE.

It's where curiosity, confidence and competition come together.

THINK BEYOND THE TEXTBOOK
Explore AI, coding, cybersecurity & technologies changing the world.

THINK UNDER PRESSURE
Analyse. Connect. Decide. Solve.

COMPETE NATIONALLY
Go head-to-head with young technology enthusiasts from schools across India.

REPRESENT THEIR SCHOOL
Take their knowledge beyond the classroom and onto a national stage.

Along the way, they build:
Confidence • Teamwork • Communication • Critical Thinking • Problem-Solving

Because knowing technology is one thing. Knowing what to do with that knowledge is another.

COMPETITION JOURNEY & KEY DATES

5 STAGES.

1 NATIONAL CHAMPIONSHIP.

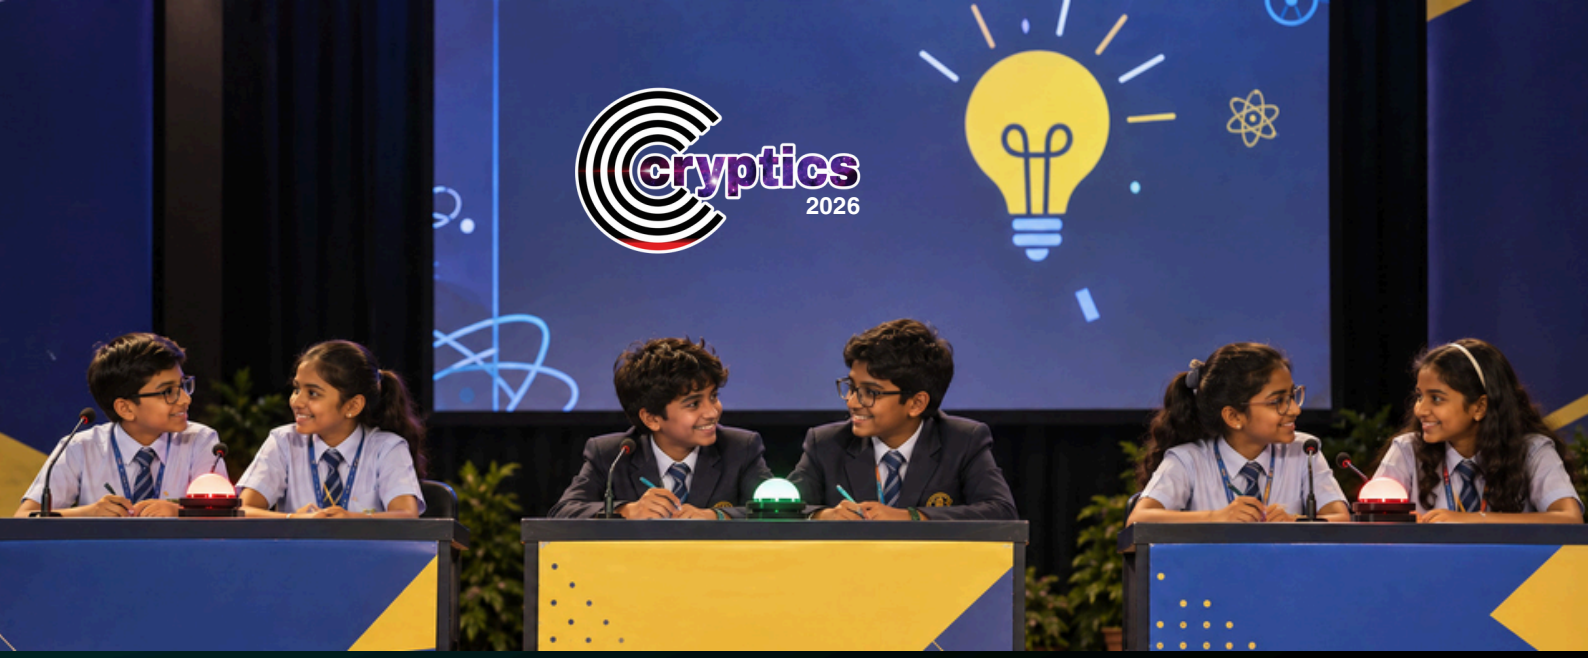

Every round takes you closer.
How far will your team go?
