**CRYPTICS – Computer Quiz Competition and a flagship educational initiative of Vydehi School of Excellence began in 2018 with a motto of promoting technology and innovation. Having completed 4 golden years in which it has seen the top cities in the country compete among themselves to be crowned as the IT Champions. Building upon the vision set by Mr. Harjeet Kakkar (CEO, Vydehi School Of Excellence), it's a unified platform to bring together the technology enthusiasts across Indian schools for the exchange of ideas, innovation and learning.**

# CRYPTICS - 2022

**Witnessing nearly 2,000 participants every year, the cryptics is a much awaited event in the technical calendar of the student and school community.**
